Willing to relocate: Anywhere

Work Experience

Marketing & Product Manager

Poppi-Austin, TX

August 2022 to Present

Oversaw brand marketing and product positioning for the prebiotic soda line across retail and DTC channels. Managed influencer campaigns generating 40 M+ views and 19% sales lift among Gen Z and millennial audiences. Partnered with R&D and creative to launch two new flavors that became top 5 SKUs within six months. Built analytics dashboard to track attribution across TikTok, Meta, and retail sampling activations.

Product Marketing Specialist

Sandclyne Agency-Newark, NJ

January 2020 to July 2022

Drove creative strategy and performance marketing for aesthetic clinics and consumer brands. Handled end-to-end marketing for several dental clinics and med spas nationwide. Improved lead-to-booking conversion by 32% through improved funnel optimization and localized landing pages. Increased average ROAS by 4.3x for client accounts through audience testing and UGC creative cycles. Wrote positioning frameworks and ad scripts that generated over \$1M in tracked revenue for client campaigns.

Manager, Digital Marketing

Harvest Labs-Los Angeles, CA

October 2017 to January 2020

Led positioning and launch strategy for two consumer wellness products, contributing to a 46% YoY revenue lift. Partnered with design and engineering to define feature sets, roadmap priorities, and user feedback cycles. Scaled paid performance across Meta and TikTok, reducing CAC by 27% in Q2. Built internal GTM playbook used across three product verticals.

Social Media Manager

Lionsgate-Santa Monica, CA

April 2015 to September 2017

Directed content strategy across major social media platforms, driving engagement and visibility for major Lionsgate releases. Collaborated with marketing, creative, and talent teams to launch integrated campaigns that contributed to the company's top line. Managed influencer partnerships, fan engagement, and real-time activations to boost reach and cultural relevance. Oversaw ideation, content calendars, copywriting, and asset development to ensure culture-market fit and consistent brand voice. Optimized performance using analytics, increasing engagement by 55% and follower growth by 125%

over two years. Played a pivotal role in the planning and execution of 16+ creative marketing projects, including for high-profile films like “La La Land” and “Wonder.” Contributed to social media assets, marketing taglines, and promotional content, several of which were adapted into large-scale campaigns and billboards.

Creative Director

Penguin Random House-New York, NY

February 2012 to April 2015

Developed creative concepts and brand-building set pieces aimed at perception management and market penetration across a diverse product lineup. Maintained a 70%+ success rate by crafting unique positioning strategies tailored to each product. Spearheaded efforts to reintroduce literary classics like *The Great Gatsby* and *African Stories* to younger audiences, leveraging emerging social media trends and cultural moments to boost relevance and drive long-term customer acquisition. Actively tied product narratives to the zeitgeist to strengthen brand resonance and promote reading culture in underserved segments.

Education

Pharmacy (Bachelor's degree)

Faculty of Pharmaceutical Sciences, UNN

June 2012 to June 2018

Co-Founder, Takers: Launched and scaled a campus-focused food delivery app connecting local restaurants to students. Achieved 1200% user growth in 3 months. Oversaw daily operations, logistics, and partnerships; led product development and marketing; managed a hybrid team of students and locals; and successfully exited post-graduation.
