Professional Summary

Product and marketing leader with 10+ years of experience across consumer goods, tech, and media. Proven track record in leading high-ROI digital campaigns, scaling product strategies, and integrating AI and data into marketing pipelines

Willing to relocate to: Los Angeles County, CA

Work Experience

Product Manager - Smart Audiences, Integrated Media

Procter & Gamble-Cincinnati, OH

August 2022 to Present

Led efforts to enhance ROI for P&G's digital advertising through advanced technical skills. Managed consumer data, advertising, and marketing technologies in collaboration with technology partners, data providers, and internal teams. Developed and implemented audience data strategies tailored to category needs. Collaborated with product and data managers to incorporate AI and ML into data categories. Drove brand automation and consumer data strategy. Leveraged expertise in digital marketing, data management, and analytics to foster best practices and achieve high ROI. Managed data quality, operations, storage, and security. Oversaw social media accounts of popular brands like "Pampers" and "Vicks."

Marketing Manager

The Coca-Cola Company

January 2020 to July 2022

Worked on the marketing team behind multiple high-performing campaigns, including the localization of the global "Share a Coke" initiative for Nigerian and West African markets. Helped drive revenue of over \$12M per campaign by tailoring messaging to regional audiences and exceeding key performance benchmarks. Led influencer marketing strategy, managing collaborations with local talent and initiating early partnerships with global internet streamers like Kai Cenat and iShowSpeed to expand brand reach among younger, digitally native consumers. Contributed to cross-functional execution across digital, experiential, and retail channels.

Manager, Digital Marketing

Nestlé USA-Newark, NJ

October 2017 to January 2020

Spearheaded marketing campaigns for major product launches, driving alignment across digital, social, and urban marketing channels to ensure cohesive brand messaging. Led a cross-functional team that achieved over 35% year-over-year growth in digital reach for flagship brands, while maintaining lean budgets. Oversaw end-to-end content strategy, event activation, and audience engagement for high-visibility consumer products such as Nescafé and KitKat, with a focus on customer acquisition and long-term brand equity.

Social Media Manager

Lionsgate-Santa Monica, CA

April 2015 to September 2017

Directed content strategy across major social media platforms, driving engagement and visibility for major Lionsgate releases. Collaborated with marketing, creative, and talent teams to launch integrated campaigns that contributed to over \$18M in investor profit. Managed influencer partnerships, fan engagement, and real-time activations to boost reach and cultural relevance. Oversaw ideation, content calendars, copywriting, and asset development to ensure culture-market fit and consistent brand voice. Optimized performance using analytics, increasing engagement by 55% and follower growth by 125% over two years. Played a pivotal role in the planning and execution of 16+ creative marketing projects, including for high-profile films like "La La Land" and "Wonder." Contributed to social media assets, marketing taglines, and promotional content, several of which were adapted into large-scale campaigns and billboards.

Creative Director

Penguin Random House

February 2012 to April 2015

Developed creative concepts and brand-building set pieces aimed at perception management and market penetration across a diverse product lineup. Maintained a 70%+ success rate by crafting unique positioning strategies tailored to each product. Spearheaded efforts to reintroduce literary classics like The Great Gatsby and African Stories to younger audiences, leveraging emerging social media trends and cultural moments to boost relevance and drive long-term customer acquisition. Actively tied product narratives to the zeitgeist to strengthen brand resonance and promote reading culture in underserved segments.

Education

Bachelor's degree in Pharmacy

University of Nigeria-Nsukka

June 2012 to June 2018

Co-Founder, Takers: Launched and scaled a campus-focused food delivery app connecting local restaurants to students. Achieved 1200% user growth in 3 months. Oversaw daily operations, logistics, and partnerships; led product development and marketing; managed a hybrid team of students and locals; and successfully exited post-graduation.

Leadership & Community:

- Member, The Great Alpha Fraternity
- Player, UNN Soccer Team
- Competitor, Pharmacy Scrabble Team
- Winner, Mr. FOBSSA – a faculty-wide pageant recognizing excellence and presentation in Biological Sciences.
